ALICE H. SIGGINS, Recy. Secy.
Mrs. Warden, chairman on Resolutions, read the following, which were adopted: Whereas, God in His mighty Providence has brought our County Woman's Christian Temperance Union to this, its sixteenth anniversary, we the members in convention assembled, do render thanks and praise unto His Holy name for His care and guidance and the prosperity that has attended our work; and for the uplifting of humanity that has come from the combined efforts of Christian women. Encouraged by the increased interest manifested everywhere in our work, we reaffirm our allegiance to the principles of total abstinence and prohibition, and praying that the blessing of God the Father may attend our work in the future as in the past, we tender the following resolutions:

1. That we declare our devotion to a Christian Sabbath as a day of rest, believing it to be the cornerstone of a nation, a blessing to the commonwealth.
 2. That we most heartily endorse the movement to observe the Sabbath as a day of November as Temperance Day in all the Sabbath Schools.
 3. That as prevention is always better than cure, and as there are more children in the public schools than the whole number of individuals whom we can certainly influence outside of them, that we will work during the year before us to make a special effort to encourage the teachers of the schools to organize a K. O. V., or some branch of juvenile training, feeling that the hope of the future lies in the careful teaching and proper environment of our children.
 4. That we continue to labor for a single standard of purity for men and women, and that we strive to banish impure literature from the home and from places of public resort.
 5. That we hereby give hearty expression of our indebtedness to the editors of Tionesta for the space they so kindly give us for temperance reports in their papers.
 6. That we are under obligations to the local unions for their all-the-year-round faithfulness who have made it possible to come together to plan for another year's work.
 7. That we tender our heartfelt thanks to the ladies of Hickory for their royal welcome to their town and homes, to the trustees of the church for use of same, to the committee on entertainment, to those who furnished music, and to all those who in any way contributed to the enjoyment of the convention.

THE LEAGUE OF CLUBS

The Convention at Erie This Week and Some of Its Novel Features.
The State League of Republican Clubs, which is holding its annual convention in Erie this week, is one of the most unusual gatherings of its kind ever assembled within the borders of the state. The attendance is larger, as indicated by the number of special trains engaged than ever before in the history of the league. The enthusiasm is greater because of the novelties that have been introduced into the campaign.

Perhaps the most striking of these is a great ball marked with Pennsylvania's record of Republican patriotism and carrying the pictures of Presidents McKinley and Roosevelt, Judge Pennypacker and the Republican candidates of this year, which is being taken to Erie on a special car from there to be rolled backwheels across the state to Philadelphia. The idea, which was evolved from the fertile brain of a couple of Philadelphia Republicans, Joseph M. Huston and J. Hampton Moore, city treasurer of Philadelphia, is that at the border of each county a number of Republicans representing that county shall take the ball in charge, roll it along the highways to the borders of the adjoining county, where it will in turn pass into other hands, and so on through the state.

It is expected that this novel spectacle will attract thousands to the line of the ball's progress and excite universal enthusiasm among the Republicans of the state.

Read This, Republicans.
This contest is no mere local affair. It is national in its scope. A victory for Democracy in Pennsylvania would send a shiver among the spinal column of the Republican party of the United States. Twice has Mr. Pattison been elected governor, and twice, at the succeeding national elections, has a Democrat occupied the White House. We all remember with what dire results the last Cleveland administration was accompanied. We had the soup house where those who were turned from the doors of the closed mills were driven for food. The inquirer opened distributing depots for bread, and for weeks—yes, for months—the distribution continued. This was what the folly of the people in electing a Democratic president made necessary.

Could we look with confidence to a continuation of prosperity under a new Democratic administration? By no means. One experience of that dismal sort is enough. Then why invite disaster by turning Pennsylvania over to the Democrats and sending a chill throughout the Union?—Philadelphia Inquirer.

His Life Saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy.
"B. L. Byer, a well known cooper of this town, says he believes Chamberlain's Colic, Cholera and Diarrhoea Remedy saved his life last summer. He had been sick for a month with what the doctors call bilious dysentery, and could get nothing to do him any good until he tried this remedy. It gave him immediate relief," says B. T. Little, merchant, Hancock, Md. Sold by Dr. Dunn, druggist, Tionesta, W. G. Wilkins, West Hickory, Pa.

A Remarkable Record.
Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of years, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. Sold by Dr. Dunn druggist, Tionesta, W. G. Wilkins, West Hickory Pa.

BAROSMA, THE GREAT KIDNEY AND LIVER CURE

Is perfectly harmless in its effects and pleasant to take. Thompson's Barosma cures by gently stimulating the liver and kidneys, extracts from the system all particles of matter that are poisonous, not only to them, but also to the stomach, heart, blood and other organs of the body. Barosma cures are permanent.

When the liver is torpid or inactive the whole system must suffer, undergoing a process of slow poisoning; the stomach is filled with carbonic acid gas, inflaming the mucous membrane or coating of the stomach, causing heartburn, palpitation, indigestion, bitter taste on rising, a dull heavy sluggish feeling, a desire to sleep, fullness and dizzy-headedness. Thompson's Barosma is an excellent stomach tonic, assimilating with the food, neutralizing the acids and carrying the bile from the liver. If the bowels are constipated or in liver trouble, Thompson's Dandelion and Mandrake Pills should be used with the Barosma. They are purely vegetable, and will not grip.

Inflammation of Stomach and Liver Permanently Cured.
Ever since I can remember, for twenty years or more, my bowels have been troubled by inflammation of my stomach and liver first, then my kidneys became involved. At times the pain was excruciating. Having used a large number of so called cures, I finally found a complete cure in Barosma. It cured my stomach, liver and kidney cure several bottles reducing all inflammation and consequently curing the pain. Thanks to Barosma, I have been perfectly well for THREE YEARS.
